Bet Tzedek has been participating in State and County advisory boards to raise the awareness of elder abuse and promote strategies to prevent and counter the rising tide of elder abuse. As the Los Angeles County Department of Aging, the Los Angeles County Department of Health and Human Services, and Los Angeles County Department of Children and Family Services (DCFS) have all voiced the importance of elder abuse prevention, Bet Tzedek has been an active participant in developing and implementing policies and programs that address this critical issue.
